Nearly half of young people worldwide say climate change anxiety is affecting their daily life

- LONDON — A global study has found young people are suffering “profound psychological distress” due to climate change and government inaction on the crisis.
- Some 45% of the 10,000 young people surveyed across 10 countries for the study, published Tuesday, said [anxiety and distress over the climate crisis](#) was affecting their daily life and ability to function.
- Three-quarters of respondents aged 16-25 felt that the “future is frightening,” while 64% of young people said that governments were not doing enough to avoid a climate crisis. [Read more...](#)

Oil Up, Extends Gains as U.S. Gulf Coast Braces for Latest Tropical Storm

- Investing.com – Oil was down Tuesday morning in Asia, extending gains and remaining near a six-week high. Markets are bracing for another storm that could impact production in Texas as the U.S. Gulf Coast continues to recover from Hurricane Ida that hit the region at the end of August.
- [Brent oil futures](#) was up 0.45% to \$73.84 by 11:04 PM ET (3:04 AM GMT) and [WTI futures](#) gained 0.51% to \$70.81.
- [Tropical storm Nicholas](#) is headed towards Texas and Louisiana, with evacuations underway from offshore U.S. Gulf of Mexico oil platforms. "Concerns over Nicholas prompted buying as it is likely to hit the area devastated by Ida though the force is not expected to be as strong as Ida," Nissan (OTC:[NSANY](#)) Securities general manager of research Hiroyuki Kikukawa told Reuters.
