

Dear Team,

Please find below the Sole CDS account opening link:

<https://cdscacctopening.kingdomsecurities.co.ke/>

Kindly share the link with clients who wish to open a CDS account.

Alternatively, clients can access the KSL self-onboarding link via the KSL website (<https://kingdomsecurities.co.ke/>), as shown below.

The following requirements must be met before starting the process:

- 1. Physical Original National Identification Document :** Clients must have their original physical National ID available for verification purposes during the application process.
- 2. KRA PIN Certificate in soft copy :** A valid Kenya Revenue Authority (KRA) PIN is mandatory for all applicants.
- 3. Tax Exemption Certificate (where applicable) :** Clients who are tax-exempt are required to provide a valid Tax Exemption Certificate at the time of application.
- 4. Facial Photograph Capture :**As part of the verification process, clients will be prompted by the system to take a live facial photograph. Kindly ensure that you are in a well-lit environment and use a device with a functional camera to avoid any delays.

We recommend that clients review all the requirements in advance and ensure that the necessary documents are readily available before accessing the system. This will help facilitate a seamless and efficient account opening process.
